After two weeks back at school Golden Hill is a buzz with engaged and happy student learning. There are lots of lovely new displays of art and handwork in the classrooms. I have enjoyed spending time observing most classes and joining in some morning circle activities. Today’s assembly was testament to how quickly our students pick up new material and confidently present it to the wider community. Class 6C shared an inspiring sneak preview of their play with us, and each class brought us a taste of the rich activities from the week. We invite you to join us for our weekly assembly most weeks at 9.10 am in the hall. Assemblies are one of the many ways through which our teachers are creating a culture where our learning as shared, and a useful contribution to wider society. Creating this culture starts with us as teachers, by working together in visible partnership, co-teaching and visiting each others’ lessons. As part of our professional learning, teachers at Golden Hill observe each others’ lessons and support each other with peer mentoring and coaching in the art of Steiner Teaching.

For extended family and any friends new to Steiner Education, booking in for a school tour could be a great way to gain insight in to the basic philosophy and practises at our school. Our first School Tour will be held from 9-10 am next Wednesday morning. Bookings are through the office. Please check the dates on the Term Calendar that went out with last weeks Quill for the times of your child’s class meetings, plays and excursions for opportunities to see the fruits of all their hard work. A reminder that the last day of term is a Pupil Free Day for Professional Development K-6.

Warmly Elise Everett

Dear Parents and Friends

You are invited to Afternoon Tea on Wednesday 5th at 2 pm in the school hall.

Please come and help us welcome Tracey Puckeridge from Steiner Education Australia, our peak body, who has made the long trip to Denmark for two days. She is running a management review as part of our continual school improvement. Tracey is also helping us prepare to advertise our permanent Co-ordinator position. Warm thanks to Elise Everett for her continued gentle guidance through this term as our Interim Co-ordinator. I am looking forward to sharing a drink and chat with those of you who would like to come.

Gay Blake,
GHSS Council Chair

One grey fit ball ergonomic chair $80
Small desktop printer $10
**General Dental Care for School Age Children**

The School Dental Service provides free general dental care to school children throughout the state, ranging from pre-primary through to Year 6.

Care is provided by dental therapists under the supervision of dental officers from fixed and mobile clinics located at schools throughout the state.

The School Dental Service is primarily a public dental health program, with emphasis on prevention and education. The treatment is limited to general practice care and there are a number of exclusions, e.g. specialist services and general anaesthesia facilities. Treatment outside the scope of the School Dental Service is referred to other providers and any costs are the responsibility of the parent or guardian. Consent of a parent or guardian (by completing a consent form) is a lawful requirement before a child can be treated. However, consent is not required before an examination.

Your closest School Dental Therapy Centre is Mt Barker Mobile. If you have concerns or would like to book your child in for a check up telephone 0437486143.

For further information feel free to ask in the School Office.

---

**Study Group**

*Would you like to learn more about why we do what we do? Interested in a deeper learning of Steiner education?*

Our book study group will be starting up again on Monday the 27th July. Meeting after school in the library. The book we are reading this term is called Balance in Teaching by Rudolf Steiner, a series of lectures that follow on from the book we studied last term. Everyone is welcome, we are a small group of people interested in finding out some answers to life's big questions. First get together is Monday 27th July 3.15 pm in library. Hope to see you there.

Contact Mary Lou for questions and queries.98482989 or email Mary Lou Shilou@me.com

---
