News from the School Coordinator

This is the last Golden Quill for the year. Thank you to all the people who have worked so hard this year to keep the school functioning at its highest level. First and foremost the School Council needs a huge thank you. Remembering that most of the Councillors are new this year, I believe they have worked well above and beyond the call of duty. Not only have they had to learn the ropes quickly, there have been an array of issues they have had to face that would have stretched any School Council.

The school has revived its Family Participation Scheme and we also need to thank those parents who have made this scheme a success so far, from Kardi Harrower and Silvia Lehmann who wrote the initial scheme to Annett Forman who is now working hard to encourage everyone to build a strong community and a strong school. Next year is the crunch year for the scheme. We have always intended that the scheme be a way to have the load shared by all. It is a great opportunity to meet people who are not parents of children in your child(ren)’s class(es). It is also an opportunity to make this form of education competitive. A wonderful example of this was last week’s play performances from Cl.1/2. Thank you to the parents who were responsible for all the peripheral bits and pieces; your work can only enhance the school’s reputation as a quality educational choice.

Next year we start with both kindergartens close to being at full capacity. In fact, the only two classes with low numbers next year are Cl.’s 1 and 2, which we expect to be low at the start. This gives the Council the interesting dilemma next year of deciding whether the school is strong enough to support the building of a third kindergarten, something the school will need at some stage to feed 24 students into the primary classes.
Also facing Council is the decision about running a Cl.7 from 2015 onwards. From one point of view, the decision is obvious as the curriculum clearly reaches a high point in the year with a theme of expanding the horizons of the students to glimpses of the “impossible”. On the other hand, does the school community have the confidence to commit when the mainstream has suddenly become quite different? I will be submitting an application early in the new year to the minister to retain our Cl.7. Please keep asking any questions you may have about this proposal.

We have two staff saying farewells at the end of the year. We have all admired the way Ingrid Weeks has worked so hard with her class. Inheriting a class as they go through their 9 year old change is never easy and Ingrid has worked tirelessly and with the utmost integrity. We wish her all the best with her career next year. It is also time for Theresa Beecroft to take a small step back next year. With Chelsea-Marie graduating, Theresa has decided to call time on coming to the school every day. We have appreciated her quiet dedication and thank her for the years of service in a whole variety of ways from Council chair to humble cleaner.

Finally, I wish to thank all the staff at the school for their unstinting dedication to providing the best possible educational experience for your children. This definitely extends to the cleaners, groundsman and the administration staff as well. I believe we have a great team and I really look forward to the challenges of 2014.

High in the summer heights, the illuminating Sun-being rises and carries my human feeling into the far reaches of space.

Deep within me a foreboding sensation occurs---faintly it tells me:

“One day you will realize that today, a divine being felt you.”

News from Playgroup

We wish all our Playgroup and Baby group families a wonderful Christmas and Happy New Year for 2014.

We say farewell to some of you who are off to kindergarten in the new year, and are looking forward to welcoming the rest of your shining faces at Peppermint Cottage again next year.

We will start up again on Tuesday the 4th of February 2014 with spaces in all our groups. Just a reminder that fees will be going up slightly in 2014.

A very heartfelt thank you goes to Richard, our grounds man, who has done so much work to beautify our playgroup area.

Have a wonderful break.

Warmly, Theda, Clare, and Jade

Silvia’s Gingerbread Recipe (Lebkuchen)

I adapt this to gluten-free gingerbread by using GF plain flour and adding ¼ tsp xanthan gum and one extra egg to the recipe.

80g Sugar
100g Butter
350g Honey
1/8 litre Milk
500g Plain Flour
(or 400g Plain Flour and 100g almond meal)

Place sugar, butter, honey, and milk in a saucepan, bring to the boil, stirring, then let it cool (overnight is best).

When cool add the egg, then flour, lemon rind, spices and cocoa. Turn onto a lightly floured board and knead until a smooth ball forms. Cover and refrigerate for at least 1 hour before rolling out and cutting out shapes, or using it for making a gingerbread house. NB for a gingerbread house you need to double or even triple the recipe (triple will make a gigantic house!)

Shapes can be glazed with warm honey and decorated with dried fruit before putting in the oven – bake at 180 to 200 degrees (preheated oven) – Enjoy!

News from Karri Kindergarten

With great speed the last week of Kindergarten for 2013 has arrived. We have been celebrating these last few weeks of preparation with candles and stories, songs and gifts of stones, plants and animals. Handwork is being finished, gifts made, the last bread baked and the last games played.

Lightning’s chicks are hopefully maturing to the point of emerging from their shells. All we have left to do is to celebrate the end of Kindergarten for the children who are 6 and moving onto Class 1 with the “Stepping Stones” ceremony on Wednesday.

Although Denise has been on leave, she has continued to run the administrative side of kindergarten. We thank her for all her work and look forward to her bouncing back to Kindy in 2014 with full knee health.

We also thank all parents most gratefully for the many and varied ways you have contributed to the rich and interesting “home” that is Karri Kindergarten. We wish you and your families Love, Life, and Light for the Christmas season, the holidays, and the coming year.

From all the Kindergarten Staff.

From Denise: As the school year comes to a close, I am feeling very grateful for all the children who have filled our karri kindergarten room with their wonder, joy, curiosity, courage and yes, sometimes tears and sadness too, and who have come along each day to play, learn and grow together over the past year, or longer. To those children who will graduate on Wednesday, our very best wishes go with you, and we hope you will pop your heads over the fence sometimes to say hello and let us know how you are going. Goodbye to: Maya, Aquila, Finn, Dior, Sumai, Sienna, Benjamin, Iris, Cedar and Luiza. Appreciation, too for you parents, and your support, acceptance and care as we nurture these young beings in partnership.

Special thanks to Merveena, Clare and Mary Lou, who have cared for the children and the kindergarten in these past weeks to allow time for me to heal properly. It's been a very busy and sometimes challenging time, so thank you so much, you've been wonderful!!

I wish everyone a well-earned rest and a joyful festive season.

Warm wishes
Denise

Hello GHSS friends and families,

Class 1/2 performed their play ‘The Nixie of the Millpond’. They did a wonderful job. All remembering their lines, and singing beautifully. I am incredibly proud of each and every one of them!

A big thanks to every one who helped me during this time. It was great to see so many smiling faces out in the audience.

I wish each of you a beautiful time with your families this festive season.

News from Class 5/6/7

Hi everyone,

It’s hard to believe we are in the last week of school for the year, and will soon be saying our farewells to our class elders. Class 5 have finished their Astronomy main lesson with a little quiz, and this week we turn our attention to finishing off, cleaning up and binding our main lesson books. We moved classrooms on Monday (to the Class 7 room). Parents are welcome to pop in to the class on Thursday morning for a little class end-of-year get together at 9am- we are planning on cleaning, eating and chatting for the first hour of the day- bring along a plate if you’d like to join us and I’ll try and have the urn set up for tea.

Please remind your class 5/6 child to bring along their thick card to bind main lesson books. Still waiting on any photos from the play if anyone has any...

During the holidays I’ll finish typing and putting together the school recipe book STILL hoping for more recipes though - it is not too late to email me your favourite recipe :) 

Cheers

Eliza
Kwoorabup Markets

We would like to say a huge Thank You to Simone Coleman for coordinating the Kwoorabup Markets all through 2013. Simone has worked tirelessly all year, promoting the markets, organising and manning the delegate stall, spreading the word, setting up, serving, cleaning up at every single market. She has coordinated the class afternoon tea fundraisers, as well as impromptu workshops, and really made these markets sing at the school hall.

As well as that, she has been busy making a facebook page for the markets, sending out market stall holder profiles, and liaising with interested parties who would like to see the markets grow into a Farmers Market for Denmark.

Simone has put in hundreds of volunteer hours to fulfil this market coordination role. From the bottom of our hearts, we thank you for your commitment to this market, to selling fresh, organic and biodynamic produce, to nurturing and supporting community stall holders, and coping when the afternoon teas provided by parents was sparse. The markets have grown to be a huge success, and we owe it all to you, Simone.

In Simone’s own words:
We’ve had 15 markets this year, with 43 different stallholders attending throughout the year.
We’ve had a lot of fun, learnt a lot, and I’ve really enjoyed seeing all the locally grown and handmade products passing through the community. I look forward to building on what we’ve achieved this year with more stallholders, entertainment, events, demonstrations and workshops next year.

Have a great holiday season.
Cheers
Simone

Thank you Simone!
From the FPS Coordinator

As the year draws to a close, as a school we would like to acknowledge the parents that have contributed above and beyond their FPS hour requirements, and have really contributed in a major way to the festivals and events, the camps, the markets, the P&F and the soup days, and all those little jobs that make this school such a nurturing and wonderful place for our children. We would like to thank in no particular order:

Two other names we’d like to mention are: Chris Robins, who is a past parent and founding member of the school and has worked tirelessly sitting on Council for all of 2013 as well as building stunning cubby houses for playgroup and kindy. The other is Nicole Robinson, who managed to complete a full 17 hours of FPS time, despite being a single mum with a new born baby.

Thank you, the school year of 2013 has been all the richer with your generous contributions. Many thanks also to the not mentioned parents who contributed your voluntary time and expertise to the school.

Annett Forman (FPS Coordinator), Silvia Lehmann (office manager) and Robert Gillman (School coordinator)

"Keeping Quiet"

by Pablo Neruda

Now we will count to twelve and we will all keep still. For once on the face of the earth, let’s not speak in any language; let’s stop for one second, and not move our arms so much. It would be an exotic moment without rush, without engines; we would all be together in a sudden strangeness. Fisherman in the cold sea would not harm whales and the man gathering salt would look at his hurt hands. Those who prepare green wars, wars with gas, wars with fire, victories with no survivors, would put on clean clothes and walk about with their brothers in the shade, doing nothing. What I want should not be confused with total inactivity. Life is what it is about; I want no truck with death. If we were not so single-minded about keeping our lives moving, and for once could do nothing, perhaps a huge silence might interrupt this sadness of never understanding ourselves and of threatening ourselves with death. Perhaps the earth can teach us as when everything seems dead and later proves to be alive. Now I'll count up to twelve and you keep quiet and I will go.
