Just over two weeks more of school and there is a huge amount happening. Thank you very much to all the people who turned up to the last Busy Bee. The road frontage will never be the same again.

The school is very happy to announce several appointments that have occurred over the last week or two. Marylou Small and Merveena Reynolds have been appointed to replace Denise while she is on long service leave. These two have been around the school for a long time and don’t need any further introduction. The new Cl.1 teacher, whose name is Elise Everett, has been teaching in Steiner schools in Australia for over 15 years. She won over all three of the interview panel with her depth of knowledge in diverse aspects of teaching in a Steiner school and meeting the regulatory demands of modern schools, as well as her warmth and empathy for children. We feel privileged that she has chosen to teach at our school. Sonja Poelchow has resigned and will be replaced by Tom Rossignuolo. Tom has had a highly varied background, including completing a law degree, before recently completing his teacher training. We believe he will do an amazing job with this group of students as they approach their nine-year-old change and beyond. Finally, we wish to announce that both Emily Townsend and Alex Nock will be team teaching their class from next year.

We have some resignations also. Sonja Poelchow told her class and her class parents a beautiful story about her year and what it has meant for her to be in Denmark this year. We wish her all the best for her plans in 2015. Keiko Fukui is still required in Japan by her parents and brother and has therefore decided that she cannot come back and teach in the near future. Xchemaya Rose will be returning to Perth to teach in 2015. We thank all three teachers for their efforts to educate our children.

The school Council would also like to announce that, after a long debate, it has decided to respond to parent requests for having a consolidation class for their children instead of joining Yr. 7 (or 8) at Denmark High School next year. Eliza Allan has agreed to continue teaching this class and we look forward to a vibrant completion year for those students. Council is well aware that there are risks associated with this decision and has sought independent legal advice before taking this step.
There is still a mountain of work to do to develop contingency plans in case the Minister decides to investigate our school more closely, but Council sincerely believes these children will benefit more from the structures found at this school than exposing them to high school routines and peer pressure at this stage. This step is only the first step towards running a sanctioned Cl. 7 at this school. There is an application for this with the Department at the moment and you may have noticed that each of the classes has a petition which asks all parents to confirm that they see this development as positive for their children. If you have any questions about the longer term educational advantages of this school or wish to have more background about the consolidation class decision process, you are welcome to make an appointment with School Coordinator.

Robert Gillman

**SURVEY INVITATION**

We would love it if you could please fill out the parent survey. Please see the link for survey monkey that was emailed to you recently. 33 families have participated so far.

Golden Hill Steiner School is conducting a survey to hear your opinions of how this year went for your family and one response from each school family would be appreciated.

Please complete the survey by the **9th December** at which time the link will expire.

Robert Gillman

**Petition to Retain Class 7 at GHSS**

Please see the petition located at each of the class rooms.

The petition states:

*We, the undersigned parents of Golden Hill Steiner School, seek to retain Class 7 to complete out child’s educational needs at this school. We full support Golden Hill Steiner School’s application for a high School Registration to further its’ commitment to the continuity of a Steiner based Year 7 curriculum.*

You are welcome to discuss this with any member of the College of Teachers or Council.*
Advent

Here in that Southern Hemisphere, Christmas comes in summer, the time when the long warm days, intense light and balmy nights beckon us outside. It can be challenging to develop an inwardness as we contemplate the coming season. By celebrating Advent (meaning “to arrive”) with a simple ritual, we can facilitate a reverence mood of quiet anticipation. Advent begins on the fourth Sunday before Christmas Day. Traditionally, one candle is lit on the advent wreath on the first Sunday, two on the second Sunday until all four candles are lit on the Sunday before Christmas Day.

At Karri Kindergarten we celebrate Advent, as many other Steiner kindergartens do, with the recognition of the four kingdoms on Earth. During the last weeks of the school year we build up our manger scene as we give thanks to each of these four kingdoms. At home this can be done on each of the four Sundays leading up to Christmas. It is best to light the candles at the same time each week. The evening, after sunset, is most suitable for inner reflection and reverence. This can be enhanced by singing an appropriate song or telling a story as part of your family’s ritual.

First week of Advent: The first light of Advent
It is the light of the stones
Stones that live in crystals
Seashells and bones

During the first week of Advent, we give thanks to the mineral world. The first candle is lit as the verse as spoken. Stones, pebbles, shells and crystals are placed on a green cloth.

Second week of Advent: The second light of Advent
It is the light of the plants
Plants that reach up to the sky
And in the breezes dance

In the second week, two candles lit and the second verse is added. We give thanks to the plant kingdom this week as we offer our gift of flowers, bark, moss or a growing plant.

Third week of Advent: The third light of Advent
It is the light of the beasts
The light of hope that we may see
In greatest and in least

We now have three candles burning and celebrate the animal kingdom by adding the animals associated with Christmas story to our table in the third week. These could be knitted, carved from wood or modelled in wax. Feathers, wool or even a fallen bird’s nest may also be added.

Calendar of the Soul—Week 8

As I now forget my own will, cosmic warmth fills my spirit and soul—announcing: summer is come!

Spirit vision pleads with me to lose myself in light, and a premonition warns me loudly:

"Lose yourself to find yourself!"
News from Karri Kindergarten

Thankyou
A huge thank you to Scott and Jo (Parents of Finn, Class One) for finding some suitable rocks on which to mount the memorial plaques, much appreciated. They will soon be in situ, marking the Illawarra Flame tree planted in memory of Rebecca Wells at the front of the office and the children’s rose (which has just begun blooming) by the Karri Kindergarten eastern gate, planted in memory of Diane Martin
With much gratitude
Denise

From Karri Kindergarten
Our Karri Kindergarten graduation ceremony is fast approaching. It is to be held on Wednesday 17th December and will be the last day of kindergarten for the year. Please see separate note for more details. Parents of K6 children, please ensure the gold crowns are returned to the kindergarten office by Monday 15th December. Friday 12th December will be Clare’s last day at kindergarten for the year as she is going overseas with her family for Christmas. May I take this opportunity to thank Clare for her hard work and dedication to our kindergarten over the past year and wish her a very happy and restful holiday. She will be back next year.
Thanks to all who brought along a gift from the mineral kingdom for our Advent table this week. Please remember to bring a gift (labelled if you wish it returned) from the plant kingdom for next week (week beginning 8th December) and a gift from the animal kingdom for the week after (week beginning 15th December). Many thanks!
Warmest wishes
Denise

Violin Concert and Fiddlers at Markets

To all Fiddlers
Here are a couple of opportunities to perform with your violin.

Violin concert
This is a chance to play a solo piece and/or be a part of a group.
When: Tues 9th Dec
Where: Steiner School Hall
Time: 3.00

Fiddlers at Denmark Markets
This is a chance to play with the Denmark Fiddlers on stage with a cool band.
When: Sat 13th Dec
Where: Berridge Park
Time: 9.30 for a 10.00 start
Wear bright clothes.
Please let me know if you can attend either/both event(s).

Jude 0409110645
jude.iddison@gmail.com

CONGRATULATIONS

Congratulations to:
Jasmine Boaden
Olive Coleman
Molly Clarke
Emil Davey
Izabela Margio
Imogen Lacey

For all doing very well in their violin Exams
News from Class 1

Hello everyone,

Advent began on Sunday. The word Advent comes from the Latin ‘Adventus’, meaning ‘coming’. It is a time of preparation; for children it is a time of joyful anticipation, looking towards its fulfilment at Christmas. Advent begins on the fourth Sunday before Christmas. Beginning the Christmas season four weeks before the celebration of the birth of Jesus, gives us the opportunity to prepare ourselves to become something greater – to grow. The peaceful anticipation that comes from the ritual of lighting the candles each day and building the scene allows the experience of Christmas to live deeply in our children so that they too come to see this time of Solstice as meaningful to themselves.

When most of us think of Christmas we think of presents and this can cause difficulties in some households. Here is a list I found called “The Creative Play” Christmas Present List for Grandmas and Grandpas to think about.

- Child sized gardening tools – trowel, fork, spade, rake, hoe, wheelbarrow ...
- Child sized carpentry tools (not toy ones) – softwood off cuts, hammer, nails, pliers, screwdriver, saw ...
- Whittling knife.
- Baking tools – medium sized wooden rolling pin, biscuit cutters, gingerbread man cutter with your favourite family recipe for biscuits and gingerbread
- Skipping ropes – a long one for group skipping and a short one for skipping alone.
- A handwritten book telling stories from when you were a child – adventures, times you were naughty, acts of courage and bravery, special family memories, holidays...
- A special experience with you – a trip to the circus, a boat trip, a puppet show...
- Camping equipment – sleeping bag, tent, rucksack, torch, cooking equipment
- Magnifying glass
- Native American Flute (yes I admit I added that one myself)

This week is our final week of our equations main lesson where we are working to develop automaticity with addition and subtraction to 10 and memorizing our 1s, 2s, 5s and 10s times tables. Our last two weeks will be a painting main lesson where we will be deepening the experience of Advent.

Cheers,
Karen

News from Class 2

Class Two has begun their Advent celebration. Catherine has drawn a wonderful chalk board drawing for us, come and take a look! The class is enjoying engaging with a version of the Christmas story from the donkey’s point of view and are creating beautiful books depicting his journey. They’ve also begun making Christmas cards. Please note that if anyone wishes to bring in Christmas presents, you are welcome to bring them on the last day of school.

Class Two will be heading to Shanti’s house on the 15th of December 2014 to make wood-fired pizza from scratch, to explore the local natural habitats and to celebrate our year together!

News for next year! In 2015 Tom Rossignuolo will be taking on the role of Class Three Teacher. As the class was informed last week, I am moving on for wellness reasons. While the children and I are sad to see me go, we are equally excited about Tom coming next year!

Enjoy the weeks ahead.

Warmly, Sonja.
News from Class 3

Class Three’s Barter Market

There was much excitement in the air on Wednesday as the children arrived with their items up for barter. The class heard a story about a market long ago, during a time when travelling merchants came to town bringing goods. They heard how this was a very important time in the villages as the merchants would often bring items they could not get locally. It was also the day they would hear news from afar and sometimes a travelling minstrel would even sing this news.

After the story Class Three were split into two groups, the merchants and the townspeople. One group was to stay at their stall while the other group walked around trying to convince people that their item was a good trade. After some time walking around scoping out what there was on offer it was time to attempt trading with another. Some people were successful and some were not. We had a wonderful discussion after the market was over and a vote which showed the class almost unanimously voting that it would be good to have both bartering and money, not just one or the other.

Some comments from Class Three

“It was quite cool, but I couldn’t live that way” - Zaydee

“I found it difficult as there were lots of things I wanted and only one thing to give, and I didn’t want to upset others.” - Ava

“It was fun! But not a good way to be all of the time.” - Deus

“It was fun, but really stressful. I don’t think we should do it all the time. Once in a while would be good. It was really hard to say no.” - Tabitha

“It was OK but frustrating as not many people wanted what I had.” - Ben

Class Three could all see from this experience how bartering became unsustainable and had a living understanding of the reason currency came about.

Warm Wishes, Chrystal
News from Class 4/5

The end of the year is so close now and in class 4/5, our focus is strongly on our play ‘The Emerald of Wonders’. We are busy learning our lines, practising our dancing, playing our recorders and of course, the acting. So far we have been having heaps of fun!

The play is a comedy set in Ancient Egypt. In our varied cast list there are slaves, priests, criminals and royalty. Each one is focused on the legendary Emerald that supposedly contains the secret to a safe passage through death. Plots within plots become entangled and causes much confusion and hilarity.

Come see us next week in the hall on Thursday 11th December at 5:30pm or Friday 12th December at 9:30am.

Next year brings some exciting changes that we have already begun to discuss. Perhaps the biggest change for next year is that I will be sharing responsibility as the class teacher with my fiancée Emily. We will work alternate weeks in a tandem teaching arrangement. We are both very excited to work as a team and bring a greater variety of creative skills to the students.

The students will also be learning the ukulele and next year’s Class 6 students will have surfing lessons. We have been in contact with South Coast Surfing and Mike has given me a preliminary quote of $140 per student for five lessons. We are waiting for exact confirmation and once I know the financial particulars, you will be contacted by Liz our class rep., so stay tuned for details.

A reminder that we are still looking for adult volunteers to go plunking with us on Friday afternoons. It’s a great way to spend time with the children, see the Karri forest and have a bit of a splash in the stream.

Alex

Cubbies for Christmas

Many thanks to all the families who have carved some time out of this very busy Advent for the ‘Cubbies for Christmas’ caper.

We also received some very kind donations from people who are regrettably unable to attend.

Monetary donations can be made up until Thursday afternoon at the school office. Donations of cardboard, rope, tape, sheets and/or sticks would also be very gratefully received, and can be deposited at the side door of the school hall, either inside or outside under cover.

Thanks again to this wonderful community for supporting and building new ideas and nurturing old fashioned virtues.

Warmly, Lydia Kenyon
Rudolf Steiner College presents a year-long part-time course

The Time Map
Foundation Studies in Anthroposophy 2015

This course provides a foundation in the ideas, artistic processes and inner work found in Rudolf Steiner’s path of human development, called Anthroposophy.
Under the guidance of experienced tutors you will explore the history of ideas, the great stories, myths and artworks that have shaped us. The course provides an in-depth immersion into different cultures and the paradigms that produced them. By comprehending the past, we gain a clear vision for the future and the impulses that could lead us further.

You will learn how to approach your own biography with a growing capacity to think in pictures. Meditative enquiry and a study of Steiner’s written work will underpin the work. You will learn how to write imaginatively and develop artistic expression in speech. Tonal awareness, Chekhov movement, drama, and painting will weave through the year.

The Saturday programme will introduce participants to Steiner Education.

Tutors include: Horst Kornberger, Des Pallagi, John Stubley, Dale Irving, Jennifer Kornberger, Deb Williams, Lesley Cotter, Paul Lawrence**, Mark Phillips, Sharon Clifford*, Agnes de Souza* and Titus Witsenburg*
(**Bibra Lake campus only  *Parkerville campus only)

THE TIME MAP is part B of the foundation studies in Anthroposophy and a component of the Diploma in Steiner Education. New students can join the course in 2015.

WHERE & WHEN two courses will run concurrently:

COURSE A Tuesday evenings 4.30pm - 8.30pm plus two Saturdays each term. Silver Tree Steiner School, 695 Roland Rd, Parkerville

COURSE B Wednesday evenings 4.30pm - 8.30pm plus two Saturdays each term, Perth Waldorf School, Gwilliam Drive, Bibra Lake

COST $600 per term - four terms per year, (or $2,200 early bird option)
INFO: www.rudolfsteinercollege.com.au  jennifer.kornberger@gmail.com
or phone Jennifer Kornberger 08 - 9331 1880

School Council Seeking Volunteers

If you would like to become more involved and learn how your school operates, Council is looking for help.
This can be as a Council Member or if your desire is for a smaller commitment there are other Council tasks that we need help with.
Please contact the Office to register your interest.
All help greatly appreciated.
Thank you
Your School Council

Confidence is one of the golden words that must govern social life in the future. The other golden word is love, love of that which we have to do. And in the future, good deeds will be done out of love for humanity.

Rudolf Steiner
Please contact the office by phone or email each time your child is absent from school.

Many Thanks

AVOCADOES
Mariners Rest avocado seconds are now available at the office until the end of the school year. Please make a small donation. All proceeds go to the school.

Enjoy!
GHSS Recorder Policy reminder (to commence Term 1 2015)

A reminder to all families of our new Recorder Policy that will commence from the beginning of 2015, our next school year.

~ Each child will have with them in the classroom, from Class 1 to Class 6, a good quality wooden recorder. These recorders stay in the classroom during school terms. Each child can keep a second recorder, which may be plastic, at home for home practice.

~ The school will stock in the office Mollenhauer Prima Descant wooden pear recorders with plastic mouthpiece (approx $75), and these will be available for purchase as people enrol at the school. Alternatively, for older and more advanced students, families may purchase a Kunath wooden pear recorder (approx $120). One purchase, with good care and maintenance, should last the child for their primary school years and beyond. For home practice, families may purchase from the office a plastic Yamaha descant recorder for $12.

~ As part of the recorder programme, teachers will instruct the children in maintenance and care of their instrument, and clean their recorders as a class at least once a term.

Please check your child's current recorder situation at school. Class teachers will also be asked to check which children in their class if they still require a suitable wooden recorder for next year.

We will send an email out with costs of the recorders, please respond to the email if you would like to purchase either type of wood recorder as listed above.

End of Term Concert

A final concert will be held on Tuesday 16th December for Classes 1-5 in the afternoon. To share with families from our school community some highlights of the music programme and to sing some songs for the Christmas and holiday season together.

Community Singing

We are still welcoming parents to join us for community singing on Tuesday mornings for the remaining weeks of the year. We have been singing, and gaining confidence with a very enjoyable selection of songs and are currently rehearsing a song to celebrate our Class 6/7 students at the end of the year. Please join us if you would like to be part of this event.

Regards,

Bruce
From the Parent Involvement Coordinator

Busy Bee

A stunning 15 families came around to the Busy Bee and what a difference it made to the school grounds! Gutters, pressure cleaning, weeding, puppets – fantastic sprit and smiles!

It was a great communication all around: RSVP and apologies were very much appreciated and helpful for the planning!

I have entered now all the hours which have been sent to me as well as from the sign in/sign out form in the office. Our wonderful school community has helped an incredible 2000 hours this year!

Next Busy Bee - Saturday 31st of January 2015

It will be a great chance to get together after the holiday as well as for new families and teachers to get to know our community. Aims: Windows, cobwebs and other things which need some TLC after the long break and before the school starts.

Karen and Ilan will have some organic beef for sale soon. If you’d like some before Xmas, now is the time to order.

Please call Ilan on: 0421 784 187

Speech & Drama

Speech and Drama lessons for children are fun, exciting and dynamic. Children gain confidence, learn performance techniques and become skilful communicators, team players and leaders.

Students develop self confidence, self esteem, creative expression, imagination, vocal skills, pride, resilience, stagecraft and a life-long love of literature.

Lessons are literature based and involve drama games, improvisation, performance of poetry and prose, group-work, role-play, script-work and acting.

Through speaking we express thoughts and feelings, both our own, and those of others. Through speaking we can inspire, explain, teach, and move others. The quality of our speaking voice determines the way others perceive us, and therefore the way we make our way in the world.

Speech and Drama helps students develop a strong sense of self, and provides a toolkit for communicating with the world.

I am a fully qualified Speech and Drama teacher with over 15 years experience, I have spent the last 12 years teaching at Penbus College Junior School.

I am devoted to nurturing young people’s potential for happiness and success. I believe that one of the most important aspects of early education is to inspire children to be confident, creative communicators.

SPEECH & DRAMA

My lessons will help children:

• Develop a strong sense of self worth and build self esteem.

• Develop a confident speaking voice.

• Collaborate within a team to solve problems creatively.

• Speak confidently in front of an audience.

• Develop vocal expression for public speaking and conversational speech.

• Confidently communicate with adults and new friends.

• Learn emotive language and articulate feelings clearly and effectively.

• Develop leadership skills and learn how to give and take direction.

• Develop a love of literature and reading.

• Develop poise and techniques to overcome nervousness.

• Develop memorisation skills.

• Learn how to empathise and encourage others.

• Develop time management skills.

• Plan for the correct sequencing of events.

• Learn correct and effective speech habits.

• Learn acting skills and develop stage presence.

With sufficient enrolments, 45 minute lessons for small groups will be held weekly in Walpole and Denmark. Classes cost $10 per lesson, charged for a term in advance.

For further information and enrolment, please type: eversteg.wix.com/showpiecespeech directly into your browser to see my web page, or email me at: eversteg@bigpond.net.au

**Parents’ Singing Group**

**THIS Term on Tuesdays 9am-10am**

This is a lovely, heart-warming way to start the week. We are a fun and supportive group. No experience necessary, just bring your voice.
